maytronics

Most Reliable. Energy Efficient. Easy-to-Use.

The little robot that makes pool season a breeze.

E10

SUSTAINABLY DESIGNED. ENERGY EFFICIENT.

The Dolphin E 10 consumes an average of 5 cents of energy per hour and is 8 times more energy efficient than suction and pressure cleaners.

ULTIMATE CLEANING TECHNOLOGY

There's a reason why Dolphin is the #1 selling robotic pool cleaner. Unlike competitor cleaners that use random patterns to clean the pool floor, Dolphins use CleverClean™ Smart Navigation to ensure complete pool coverage.

BEST-IN-CLASS WARRANTY

The Dolphin E 10 comes with a limited 2 year warranty covering parts and labor. The best protection of any robotic pool cleaner on the market.

Pool Party Ready in 1 1/2 Hours

Dolphin robotic pool cleaners give you more family time to enjoy your sparkling clean pool.

Durable Tracks and a Scrubbing Brush

Durable tracks and a scrubbing brush create the friction needed to remove leaves, dirt and debris on the floor - leaving your pool sparkling clean.

Quick Water Release

Not only is the Dolphin E 10 light-weight, but water quickly releases upon extraction from the pool - making cleanup a breeze.

Large Capacity, Top Load Filter Basket

Our large capacity, top load filter basket is easy-to-use. Just remove, open and rinse clean. Upgrade to an ultra-fine filter basket for two levels of filtration.
